Coleraine & District Motor Club Ltd. hereby gives notice that in accordance with an Order made on the 17th April 2018 by the Department for Infrastructure under the Road Races (Northern Ireland) Order 1986.

The right of way on the roads described in the Schedule set out below will be suspended on Saturday 19th May, 2018 between the hours of 9.15 a.m. and 7.00 p.m. and Thursday 17th May, 2018 between the hours of 5.00 p.m. and 9.00 p.m. for the purpose of the above race and for Practice thereof Tuesday 15th May 2018 and Thursday 17th May 2018 between the hours of 9.15 a.m. and 3.00 p.m.

During these periods no person, vehicles or other forms of traffic except police, officials and other persons duly authorised, shall be permitted to use or remain on any portion of the said roads.

As you may also know, changes to the road closing legislation now give the organisers of the International North West 200, in exceptional circumstances, the ability to move a practice or race day, either one day forward or one day back, giving 24 hours notice to the Department of Regional Development, (DRD). The contingency days for the 2018 NW200 are, Wednesday 16th May and Friday 18th May. These would only be used should extreme weather be forecast.

To decrease the impact of using a full contingency day, organisers can also extend the road closing times on Tuesday 15th and Saturday 19th May as follows:

	Existing Road Closing	Contingency
Tuesday	9.15am - 3.00pm	5.00pm – 9.00pm
Saturday	9.15am – 7.00pm	7.00pm – 9.00pm

Any subsequent amendment to the race week schedule will be advised to the public via the Vauxhall International North West 200 website www.northwest200.co.uk, BBC NI TV & Radio and the NW200 Facebook and Twitter feeds.
