

2019 RACE WEEK
12TH - 18TH MAY
www.northwest200.org

Supplementary Regulations issued 4th April 2019.

Following on from the recent FIM decision to no longer allow FMN's to inscribe events on Public Roads into the FIM Calendar.

This has affected the International North West 200 (including all Road Race events) as a result we have had to make changes to the event Regulations as follows:-

Paragraph 3 should now read:-

All competitors must hold a current 2019 valid National licence and Start Permission for the International North West 200 issued by an FMNR affiliated to the FIM.
